Responsibility

This document is intended to provide customers of Innovapure Co., Ltd. With the information necessary to assess the suitability of our products for use in their intended applications. Innovapure Co., Ltd. has not run other analysis except for those mentioned in this statement for concentration levels for the regulatory compliances listed above, but has relied on raw material suppliers for this information. It is the responsibility of the customer to determine whether their use of Innovapure products is safe, lawful and technically suitable for their intended purpose.
